

Calling all upland enthusiasts!

The Prairie Rockets, your local Menard and Cass County Chapter of Quail Forever, will hold our annual banquet on Saturday, February 5th at the Hill Prairie Winery in Oakford. Please join us and show your support. This event is a great time for you and your spouse as we always have fun items for the ladies.

Complete and return your mailer before January 15th and be entered into our **early-bird drawing** for free Bobwhite Bucks the night of the banquet. Tickets can also be purchased from any of the committee members.

Unlike any other conservation organization, with Quail Forever, **WE** decide how to spend 100% of funds raised at our banquet. In 2010, we used \$4,170 of our local banquet funds to leverage an additional \$12,510 in grant funds to establish 222 acres of quail habitat right here in Menard County and spent \$600 to sponsor area youth at the fall hunter safety clinic at JEPC.

We still will be offering incentives and cost share for landowners willing to establish quail habitat projects. Details are available on our website ([www.prairierockets.org](http://www.prairierockets.org)) or at the local SWCD office in Petersburg.

There's still much more to be done and we need your help. We hope you can support us by attending our annual banquet and we are always looking for donations and volunteers. If you can help, please call Aaron at 217-341-7171.

Without your support at our local fundraising event, none of these activities would be possible so we thank you for your past and continued support.

See you in February!
